OBJECTIVE STATEMENT

I HAVE AN UNENDING DESIRE TO LEARN, EXPERIMENT, AND CREATE. AND AS I CONTINUE TO PURSUE A LIFELONG EXPLORATION INTO THE MANY REALMS OF DESIGN, I AM CONTINUOUSLY SEEKING OUT WAYS TO DEEPEN AND EXPAND MY PASSIONS, AND DISCOVER NEW TACTICS IN CREATIVE PROBLEM-SOLVING. MY FASCINATION WITH THE CREATIVE PROCESS IS WHAT DRIVES ME TO CONSTANTLY EXPLORE NEW TECHNIQUES AND PRACTICES, WHICH OPENS THE DOOR TO INNOVATIVE, EXCITING DESIGN SOLUTIONS. I HAVE A PROFOUND LOVE FOR ARCHITECTURE THAT CONTINUES TO EXPAND AND EVOLVE, AND MANIFESTS ITSELF INTO A MULTIDISCIPLINARY APPROACH TO UNDERSTANDING THE WORLD, THROUGH NATURE AND THE BUILT ENVIRONMENT. IMMACULATE DETAILING AND EXCEPTIONAL CRAFT ARE ALWAYS EXPECTED, AND I ALWAYS TAKE PRIDE IN THE WORK THAT I DO. I AM AMBITIOUS TO LEARN FROM OTHERS, AND CONTRIBUTE TO A COLLABORATIVE WORKFORCE SEEKING OUTSTANDING DESIGN. MY GOAL IS TO BE A PART OF AN ENERGETIC, PROGRESSIVE TEAM THAT IS PASSIONATE ABOUT THEIR CRAFT AND WILLING TO CHALLENGE MY CREATIVE POTENTIAL.

I AM AN EAGLE SCOUT

I HAVE BEEN INVOLVED WITH BOY SCOUTS OF AMERICA SINCE GRADE SCHOOL AND ACHIEVED THE ORGANIZATION'S HIGHEST RANK OF EAGLE IN 2007, AND I CONTINUE TO HONOR THE SCOUT CODE BY UPHOLDING VALUES OF LEADERSHIP, RESPECT, AND COMMUNITY SERVICE.
